Welcome Called meeting to start at 6:02pm - Board members introduced	Presidents
Principal's Report - Social learning program – Move this World - Student ambassador program - Would love feedback	Sarah Harrington
Budget Updates - Movie night – raised $1257.57 - Right on track with budget - Covering all field trips & transportation this year (except 5th grade camp) - Our budget covers teacher appreciation, playground equipment, golden tickets, star of the week, counselor expenses, art teacher expenses.	Melissa Nimon & Mary Jo Vatalare
Turf and Track - Mike Castro, Project Manager for OUSD – turf was supposed to be replaced with astroturf but not happening because $500K to $750K to replace. Also, turf on that field means other campuses will require turf. The other sites have grass. Costs to put in sod = $14K for material. Needs excavation, etc costs about $200K for sod installation – more reasonable costs for the district. Time constraints – avoid fun run. Time it will take from scope to start is 4-6 weeks. More of a summer project.	Mike Castro
